

REMARKS

Claims 1, 2, 4-16, 18-22, and 24-27 are pending in this application.

Claims 1, 2, 4-16, 18, 22, and 24-27 are allowed.

Claims 19-21 are objected to as containing an informality. In an effort to advance prosecution, applicants' have amended these claims to change the term "printed circuit board" to "circuit board." No new matter is added and the amendments are fully supported by the specification. Accordingly, applicants respectfully request that this objection be withdrawn.

This application is therefore in condition for allowance.

Respectfully submitted,

/Michael J. Chasan/
